Comprehensive Care in Multiple Sclerosis | Consortium of Multiple Sclerosis Centers result of functional disability, geography, or a shortage of locally qualified specialists. For example, veterans with MS have substantial difficulties obtaining care due to various MS related impairments (Hatzakis, Haselkorn, Williams, Turner, & Nichol, 2003).

### Comprehensive Care in Multiple Sclerosis

Comprehensive MS care is part — but not all — of your overall health management strategies. Like the general population, you are subject to medical problems that have nothing to do with your MS. Regular visits with a primary care physician and age-appropriate screening tests are just as important for you as they are for everyone else.
