Every Patient Tells A Story: Medical Mysteries and the Art ...

It is the story that every doctor puts together for herself with the knowledge she gains from books and patients. The more experience a doctor has with any of these illnesses, the richer and more detailed the illness script she has of the disease becomes." — Lisa Sanders, Every Patient Tells a Story: Medical Mysteries and the Art of Diagnosis

Every Patient Tells a Story Quotes by Lisa Sanders

Class of 2018 When I first picked up Every Patient Tells a Story in the library, I expected a rather one-dimensional anthology of medical cases told

from the patient's perspective. The book certainly offered medical cases, but was also an incredibly balanced and engaging read that left me wanting more.
