London School of Hygiene & Tropical Medicine | University ...

Water, sanitation and hygiene (WASH) are fundamental to public health and the mission of the London School of Hygiene and Tropical Medicine. Hygiene is intrinsic to the school's name and its main lecture theatre is named for the great epidemiologist, John Snow. Since the appointment of Dr H.H. Clay in 1929 as a Lecturer in Domestic Sanitary Engineering, the London School has continued to research, teach and engage with policy makers on WASH and health.
